“Harp helped us create a successful restaurant in the heart of High Street Kensington, grabbing attention of big magazines like Forbes and the Evening Standard within months of opening.

We have new projects coming up in London, from which Harp Interiors have already been commissioned there was never a doubt on working with them again.

Thank you Harp team!”

## Shearman & Sterling

---

“The communication that the team at Harp have is excellent.

The designers we worked with were mindful of budget restraints and helped us to value engineer the project.

All in all we received a personal service and would highly recommend Harp Interiors.”

## Perrywood Garden Centre - Tiptree & Sudbury

---

“Hayley and her team have great energy and their success in growing their business speaks for itself! Our project encountered some bumps with the contractors (which project doesn’t!) but their leverage with contractors really helped to get things sorted. Our coffee shop still looks fantastic today and we are now using the same colours and furniture in our new Sudbury store, sourcing this via Harp”
